INDEPENDENT AUDITOR'S REPORT

University of Central Oklahoma, Licensee KUCO-FM Radio and the Board of Trustees of KCSC Classical Radio Foundation Edmond, Oklahoma

Opinion

We have audited the accompanying combined financial statements of KUCO-FM Radio and KCSC Classical Radio Foundation (a nonprofit organization), which comprise the combined statements of financial position as of June 30, 2023 and 2022, and the related combined statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the combined financial statements.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the combined financial position of KUCO-FM Radio and KCSC Classical Radio Foundation as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Combined Financial Statements section of our report. We are required to be independent of KUCO-FM Radio and KCSC Classical Radio Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Combined Financial Statements

Management is responsible for the preparation and fair presentation of the combined financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from misstatement, whether due to fraud or error.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KUCO-FM Radio and KCSC Classical Radio Foundation's ability to continue as a going concern within one year after the date that the combined financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Combined Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combined financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KUCO-FM Radio and KCSC Classical Radio Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment there are conditions or events, considered in the aggregate, that raise substantial doubt about KUCO-FM Radio and KCSC Classical Radio Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO COMBINED FINANCIAL STATEMENTS June 30, 2023 and 2022

Note 1. Significant Accounting Policies

The combined financial statements of KUCO-FM Radio and KCSC Classical Radio Foundation (the "Organizations") have been prepared in accordance with generally accepted accounting principles. All intercompany balances and transactions have been eliminated in the combined financial statements. The significant accounting policies followed are described below.

Organization

KUCO-FM Radio (the "Station"), formerly known as KCSC-FM, is operated by the University of Central Oklahoma (the "University"). The Station began transmitting in 1966 and relies upon individual memberships, program underwriting, University appropriations and Corporation for Public Broadcasting (CPB) grants as its major sources of revenue.

KCSC Classical Radio Foundation (the "Foundation"), was created on August 8, 2001, as a 501(c)(3) organization, to support and promote classical music radio in Oklahoma. It operates primarily on financial contributions from the general public.

Combined financial statement presentation

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions.

Net assets without donor restrictions – Net assets available for use in general operations and not subject to donor or certain grantor restrictions.

Net assets with donor restrictions – Net assets subject to donor or certain grantor imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Capital expenditures and depreciation

The Organizations capitalize all expenditures for property and equipment in excess of \$2,500. Property and equipment are stated at cost or, in the case of donated property, at their estimated fair value at date of receipt. Expenditures for repairs and maintenance are charged to expense as incurred. Depreciation is calculated by the straight-line method over the following estimated useful lives:

Transmitter buildings	40 years
Broadcast towers and equipment	5-40 years
Office furniture and equipment	3-5 years

Use of estimates

Management uses estimates and assumptions in preparing combined financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Accordingly, actual results could differ from the estimates.

Note 1. Significant Accounting Policies, continued

Revenue recognition

Revenues, gains, and other support are reported as increases in net assets without donor restrictions if the restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities and changes in net assets as net assets released from restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets and liabilities are reported as increases and decreases in net assets without donor restrictions, unless their use is restricted by explicit donor stipulation or by law.

In-kind contributions

In-kind contributions are recorded as revenue and expense. The contributions consist primarily of indirect support provided by the University. These items are valued at their estimated fair value.

Functional allocation of expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of financial activities. The statements of functional expenses present natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the program and supporting services benefited.

Cash and cash equivalents

For purposes of the statement of cash flows, the Organizations consider all highly liquid investments with a maturity of three months or less at the time of purchase to be cash equivalents.

Income tax

The University is subject to tax on any net income from activities considered unrelated to its tax-exempt purpose. One such activity is the Station's income from the leasing of space on its broadcast towers. The station had no income tax liability for the years ended June 30, 2023 or 2022.

Note 2. Net Assets with Donor Restrictions

An analysis of donor restricted net assets for the years ended June 30:

	2023	2022
Kirkpatrick Foundation - remote equipment	<u>\$3,687</u>	<u>\$3,687</u>
	<u>\$3,687</u>	<u>\$3,687</u>

NOTES TO COMBINED FINANCIAL STATEMENTS June 30, 2023 and 2022

Note 3. Retirement and Pension Plans

KUCO-FM Radio participates, through its affiliation with the University, in the Teacher's Retirement System of Oklahoma. The System covers college and university employees, public school teachers, school employees and boards set up to administer various departments of education. The Station contributes 8.55% of base salary plus benefits for employees who elect coverage through the System. The Station also contributes an additional 7% on base salary plus benefits in excess of \$10,000. The contribution for the years ended June 30, 2023 and 2022 was \$38,816 and \$39,153, respectively.

Note 4. Related Party Transactions

During the years ended June 30, 2023 and 2022, the Station recognized as revenue \$293,593 and \$261,562, respectively, of appropriations from the University. Indirect administrative support from the University consisted of \$218,211 in 2023 and \$156,220 in 2022 of allocated University departmental expenses incurred on behalf of the Station. This valuation is based on guidelines established by the Corporation for Public Broadcasting and is intended to represent the fair value of such indirect administrative support.

Note 5. Funds Held by Others

The University of Central Oklahoma Foundation ("UCO Foundation") is holding funds for the benefit of the Organizations. Earnings, gains and losses, and investment fees are considered to be without donor restriction.

The UCO Foundation's policy is to pool its funds and allocate investment earnings, including realized and unrealized gains and losses, to the various accounts it maintains. Valuations of securities are based on quoted market prices, which are considered Level I under the fair market hierarchy. Investment income for 2023 includes \$38 of realized gains and \$1,032 of unrealized gains. Investment income in 2022 includes \$630 of realized gains and \$(3,152) of unrealized gains allocated by the UCO Foundation.

Note 6. Funds Held by Community Foundation

The Foundation invested \$100,000 in the fiscal year ended June 30, 2016 with the Oklahoma City Community Foundation. The OCCF maintains variance power over the funds. OCCF distribution policy is to annually distribute 5% of the average market value of the account, based on the previous twelve quarters or life of the account. Funds transferred by the KCSC Classical Radio Foundation, reciprocal transfers, are recognized in the combined statement of financial position. Contributions from third parties are maintained in a separate account, the value of which is disclosed, but not recognized as assets of the KCSC Classical Radio Foundation. The distribution policy for this account is identical to that of the reciprocal account.
